Sue,
You have been a #1 friend
for so long that I really
think of you as a sister. We
have been through so much
in the past 6 years that
it would be a book to
write down all the
remembers wheres: like
prom, learning how
drive ect.. Stay the
same pure gal you are
and you'll have it
made (I guess) HA! HA! Remember
I'll always be near if you
need someone to talk to.

Friends forever

"78 is great" Love ya,
Kim

Sue,
I could write a book on things we've done & wanted to do and about the friendship we have in such a short time. I don't want to lose our friendship after we graduate. Because then we wouldn't have no one to call Angel.

Now & forever friends

Pam
'78 Back

Sue,
You have really been something else during these last 4 years. I definitely know where I look back at all the great times of EHS you will be in the memories. We have really had a lot of great times. There were a lot of times where we needed our friendships and during these times the beauty of friends prevailed over all. I wish you all the luck in the world. Someday when I hear of Sue Derickson the great "Women Engineer" I can say she helped me with my algebra. HA HA.

My Dearest Sue,

A really sweet & Cute girl! I've just gotten to know ya in 6 weeks & it seems like years! Remember what fun I've or should I say we've (me, ya, Sheila) had in good ole 4b Study hall talking about "Mamu" the Whale. If ya catch my drift?! (Shicker, Shicker!!)

Hope we have alot more fun this year before your great departure into the competing life of Social Societies. Sheila told me to sign off so I'll just wish you Good Luck! I have still this year to run Love ya, through McDonalds yelling DumbAss. alias "Freebies!"

Sue,
To a good friend
who has been a part
of a lot of good memories.
But I plan on more good times
in the future with the whole
gang before school is out for good
I wish you happiness in your life
Love,
Jayne Koontz

We Dedicate This Yearbook To Lucy King

A builder builded a temple,
  He wrougnt it with grace and skill;
Pillars and groins and arches
  All fashioned to work his will.
Men said, as they saw its beauty,
  "It shall never know decay.
Great is thy skill, O Builder:
Thy fame shall endure for aye."

A teacher builded a temple
  With loving and infinite care,
Planning each arch with patience,
  Laying each stone with prayer.
None praised her unceasing efforts,
  None knew of her wondrous plan;
For the temple the teacher builded
  Was unseen by the eyes of man.

Gone is the builder's temple,
  Crumbled into the dust;
Low lies each stately pillar,
  Food for consuming rust.
But the temple the teacher builded
  Will last while the ages roll,
For that beautiful unseen temple
  Is a youth's immortal soul.

Sue,
Rember all the fun times we had back in grade shcool?
If you do, tell me about them because I don't. But I
do know you how and I think you're great. You and
Beth teamed up could kill someone. I hope you stay
like you are: funny and nice.

Mike Valandingham

Sue,

Well this is our last year. I really can't believe it has went so fast. We just met in 8th grade but I feel like I have known you longer. Remember all our fun times with Effie, Miss Clark, Buffy, and Mr. French. Maybe we will run into them again. Also remember all our fun times in study hall and everything else we have been through in high school. I hope we have more in the years to come. Good luck always and may you reach [redacted] all your goals.

sorry!

P.S. Watch those sneezes in class they can be a "gas"!

Love,
Sheila
"78"

Sue,

To one of my best friends who I have known since 6th grade. We have really had some fun times together. So don't forget them. Always remember band camp with "Flash" + lunch study Halls. Good luck in all things you attempt to do, and hope you find the lucky guy real soon. Good Luck.

Love,
Glenna
78

SUE,

TO THE LOWEST! (HA! HA!)

No, really, you're a great friend. (But I'll never let you meet all of my many boyfriends!) Anyway, Good luck, be good, & stay in touch!

Friends always,
BECKY

Sue,

A great friend who I've really gotten to know and am glad I've know you. Remember all the fun times like camping, Frankie & Gene & Afie will socit to you! Babe! Just think of all the things we have done. It doesn't seem like we are seniors. I really do dread graduation because I will miss all my friends. Let keep in contact! Goodluck in the years to come and with the lucky guy.

Friends Forever!

Beth

Sue,

A real fun person to be around because you are so vulnerable for fun. I really got to know you in this here comp. class and am very glad. Have fun next year & after that because you got what it takes to make people love you.

Love
Terry
&
Penny

Sue,

A pretty good friend I don't really know that well. But the times I have been around it was fun. Remember all of the good times the Class of "78" had and I am sure there will be many more. Stay the way you are and you just might make it in this crazy world.

Luv
Steve
